

Casey Foster Applicant Inventory – Applicant Version
(CFAI-A)

This questionnaire asks about qualities that might be needed to foster. We are using this as one way to get to know you better. It will be used to identify your strengths, your need for services, and to improve communication between you and your worker. It will NOT be used to approve or disapprove you to foster. No foster parent will have all of these qualities, but most will have some.

Please try to answer all items. If an item does not completely apply to your situation, try to select the closest or best answer from the alternatives given.
